

Meditation Information

NEW Codes of Divine Light Meditations

Each of the Codes of Divine Light have their own and unique channelled meditation. These are a beautiful way to integrate the energy and light coding held within these powerful light language cards.

These beautiful meditations take us on journeys into the stars, into the Inner Earth and into divine healing chambers where we meet with Angelic and Higher Dimensional Beings, Ascended Masters, and our own Higher Self in profoundly transmutational journeys.

They activate on so many levels and are here to expand our consciousness as they are multi-dimensional vortexes of light and power, the Codes are here to assist us to easily move forward on our spiritual journey, supporting us to fulfil our greatest potential.

The Codes of Divine Light now include “Newly Channelled” Meditations.

Purchasing the Complete set of Light Codes is the best way to connect with each meditation.

New Creation Code Meditation

A light chamber is activated around us, raising our vibrational field higher and higher, as we are joined by the Mighty Elohim, the divine Creator Being.

You are moved into the Creation Temples, meeting with Angels of Creation who hold a sacred space for you as the Might Elohim creates a holographic, multidimensional sphere of light for you to create your heart's true desires. *16:32mins*

New Healing Code Meditation

During this meditation we connect with our bodies beautiful Elemental as a group of Angelic Healing Angels support us. Our body Elemental may share their name with us before guiding us to a part of our body that maybe out of alignment; this maybe a chakra, meridian, an organ or area of our body.

We receive healing and guidance about this area, and then receive a powerful light bath.

19:19mins

New Balance Code Meditation

Angelic Healing Angels join you in this meditation hold as sacred space, as you work with the Balance Code and another Code or word of resonance to assist with bringing balance to your life.

We begin to deeply receive the light and compassion of our heart, bringing us to a place of deep peace and serenity, before our loving heart speaks with us, bringing a message on how to bring more balance into our life. *19:57mins*

New Strength Code Meditation

Archangel Michael joins us in this meditation, using his mighty sword of light he activates photonic light particles that hold immense light, knowledge and healing that move within all parts of you.

Each photonic light particle is a complete package of information and light technology. You are joined by your Divine Presence to receive a powerful light body infusion.

17:06mins

New Light Code Meditation

3 Masters of Light join us in this meditation, each Master steps forwards placing a solar disk into our Soul Star, Heart and Earth Star chakras. As the 3 solar disks merge a great fusion of light occurs, as you are asked to send this coded light out to the hearts of all of humanity as a gift from the heart of Source.

19:19mins

New Evolution Code Meditation

Arch Angel Metatron joins you in this meditation, he brings with him a piece of cosmic technology known as Metatron's Cube. Intricate geometries are formed in each of your chakras as the cube is placed within them.

Calling to your Angelic Teams, a light chamber is formed over you, as a powerful light shower moves down the chamber as 3 dispensations are given to you to assist you on your Evolutionary path at this time.

24:18mins

New Unified Field Code Meditation

Lord Buddha joins you in this beautiful meditation, has he calls to Earth Angels to join him. You are engulfed by the Light of his compassionate heart, as waves of compassion fill you. This is a divine dispensation from the heart of the Buddha as compassion fills you.

When you have received a saturation of compassion from the Buddha, Mother Gaia steps to you and Lord Buddha ask that you send the compassion that has filled you to the Earth Mother, so that all of humanity may feel this dispensation of compassion. *18:59mins*

New Power Code Meditation

In this meditation we are greeted by a group of Elemental Beings, our chakras and energy bodies are cleansed and cleared with a staff topped with a large crystal. We are moved through a portal in the Earth, where a Etheric Temple is opened and activated for us by the group of Elemental Beings.

Here we receive an infusion of light to strengthen the light within us. Crystals are placed within us, which begin to form a complex matrix of crystalline light. *21:12mins*

New Truth Code Meditation

An Ascended Master you know well joins you in this meditation as an elixir of light is sent through your body to open and activate all your chakras and energy bodies. The Master takes you into the most sacred part of your heart, to your inner sacred sanctum.

Here you are given your gifts from your guides, before a golden book of light is given to you to receive a deep Truth or teaching to support you in this cosmic moment. *15:35mins*

New Family Code Meditation

In this meditation we are transported within a light cocoon to the star system of our home. Here we are meet by our starry family. Stars are placed within our chakras to align our body to the higher dimensions. We have journeyed to meet with our starry families for a specific purpose, this maybe to sit on a council or to retrieve a gift. *17:32mins*

New Alignment Code Meditation

A light pillar is created over us as great ribbons of divine light swirl around and through us to open and expand our chakras and energy bodies. A great torus of light is created by Source and the Earth Mother, to raise our frequency.

A Master of Light joins us taking us through a cosmic gateway, we are to find out a part of ourselves that maybe out of alignment and receive a greater understanding. We then receive diamond light codes holding the highest healing potential to bring alignment back to our being.

20:31mins

New Luna Code Meditation

We are transported to the Great Central Moon, Lakuna, where a vast temple of light lays. 12 Goddesses greet us, sending the frequency of their hearts into ours. We are guided to a sacred temple garden, where 12 large diamond crystals form a circle.

As we stand within the circle, crystalline light begins to fill us, a divine blessing from Lakuna. Diamonds are placed within our 12 primary chakras, to hold and stabilise the energies as we are asked now to carry this light into the Earth Mothers crystal heart. *18:20mins*

How to work with the Codes during Meditation

Before starting each of the meditations, it's a great idea to connect with the Code. Spend a moment or two looking at the image of the Code.

These are multidimensional Light Language cards, so you may feel energy or a vibration in certain parts of your body or even moving through your body as you connect deeply with the image.

Once you have spent a few moments connecting with the Code, you are then ready to start the Meditations and your transformational journey.

Owning your own set of Light Codes is a powerful way to connect with each of the Codes and their accompanying Meditations.

The Codes are available for purchase in the Store.
