

"Following the Wise Masters Path"

Bolivia & Peru Itinerary - 14 days

27th April - 10th May 2026

I am very excited to share this itinerary with you.

You have heard the call from the Great Masters of Ancient Knowledge and wisdom to join them on a journey to Follow the Path of the Wise Ones. This is a journey like no other, visiting potent energetic places that call to the heart of our Being to sit in deep meditation to receive all that has been waiting for us in this cosmic moment.

We journey to Bolivia's Sacred Lake Titicaca, visiting the Islands of the Sun and Moon, sitting in the Temple of the Heart of the Puma. Travelling to Amaru Muru in Peru where the ancient Dragon energies lay alongside the multi-dimensional cosmic gateway, to experience a ceremony with our Shaman from Peruvian Lake Titicaca.

Cusco holds so many incredible cosmic energy centres, we'll experience ceremonies to activate our Divine Being inviting the Ancient Ones to open all that we are to receive here. We will hike to the powerful 7 Lakes at the foot of Apu Master Mt Ausangate, to sit in meditation with this powerful Master and energetic centre. And journey to Waqrapukara a little-known sacred site that holds Divine Masculine and Feminine energies.

This is a Journey for Masters who wish to activate and remember ancient knowledge and wisdom to expand their connections to the stars and the great Earth Mother.

I look forward to sharing this incredible Tour of expansion with you.
