Snapshot - Peru Itinerary 2025

13th - 26th June (14 days)

Imagine standing overlooking Machu Picchu receiving a blessing as the first rays of sunlight peek over the mountains on the Winter Solstice. Being held in the womb of Earth Mother at Moray, connecting deeply with the Ancestors at Pisac, traveling through an ancient canyon and visiting the incredible floating Islands of Uros on Lake Titicaca. This will be a truly incredible journey to Peru and a Retreat with a difference! As we sit in deep meditation working through the 7 Levels of Wisdom & Awakening held within the Codes of Transition - my light language cards. All while opening and expanding our consciousness in each of the 10 amazing historical and spiritual sites we visit. This will be a heart opening and deeply transformational journey and I would be honoured if you feel the heart calling to join me in Peru for 14 days of Transformation.
